

CONFERENCES

4th monthly seminar, HITRIplus project

Thursday, 11 November, 2021 from 17.00 CET.

Dear Colleagues and Members of the ENLIGHT network,

We hope you had enjoyed our first 3 series of seminars and we would like to take this opportunity to inform you that we are hosting the next 4th monthly seminar for the Heavy Ion Therapy research Integration plus (HITRIplus) project <https://hitriplus.eu/> on **Thursday, 11 November 2021 from 17.00 CET**. Prof Piero Fossati is the *Clinical and research director for carbon ion therapy at MedAustron Ion Therapy Center, Austria*.

We would be delighted if you can spare some time to attend. We welcome suggestions for speakers for the future. Please forward and share this information with those who might be interested in attending the seminar.

Information for the seminar can be found here <https://indi.to/XCpfC>, we kindly ask you to register.

With best wishes,

Manjit Dosanjh
