

CONFERENCES

ABC7 International Consensus Conference

9-11 November 2023 | Lisbon, Portugal

Endorsed by ESTRO

Join us in Lisbon!

It is with great pleasure that we invite you to join us at the Advanced Breast Cancer Seventh International Consensus Conference (ABC7), which will take place in Lisbon, Portugal, between 9 and 11 November 2023.

The ABC consensus conference has become established as the major international conference for advanced breast cancer, and as a forum for sharing of best clinical practices and information on the latest scientific updates in the field to advance its main goal of improving outcomes for all patients with ABC.

At the conference, all topics will be presented in terms of multidisciplinary and multi-professional approaches, from basic research to clinical implementation. The conference, as previously, will close with a consensus session at which the discussion will focus on updating the ABC guidelines.

[Registration](#) is now open. To benefit from the early bird fee, you must book your spot at the conference by 17 July 2023. Every year, the ABC Global Alliance offers [travel grants](#) for physicians, nurses and patient advocates. Please look at our event platform to see if you are eligible for the travel grant.

The [programme](#) of the conference is available on the event platform [ABC Global Alliance \(abc-lisbon.org\)](http://abc-lisbon.org). We look forward very much to coming together face-to-face as a global community at ABC7!
